What is the YLG?

The Young Leadership Group (YLG) is intended to be a peer group of professionals and contractors in the Road Building industry who represent the next generation of leaders. This is an opportunity to get to know the people with whom we do business in a social setting, re-establish good relationships between Contractors, Designers, Consultants and the FDOT, restore a sense of trust between these parties and make this business fun again.

What the YLG is not!

The YLG is not about roadside trash pickups, parades or similar activities.
