NOTICE:

This list is provided for information purposes only. It is not to be used for project determination of QPL status.

For a current list of QPL approved products go to: http://www2.dot.state.fl.us/SpecificationsEstimates/ProductEvaluation/QPL/QPLIndex.aspx

In accordance with Specification **6-1.3.1.1 Qualified Products List:** The Product Evaluation Section in the State Specifications and Estimates Office publishes and maintains a Qualified Products List. This list provides assurance to Contractors, consultants, designers, and Department personnel that specific products and materials are approved for use on Department facilities. The Department will limit the Contractor's use of products and materials that require pre-approval to items listed on the Qualified Products List effective at the time of placement.

For questions about the QPL; please contact Karen Byram, Product Evaluation Administrator
Phone: (850) 414 - 4353

This report is a list of all products deleted from the QPL between 10-1-10 and 11-1-10
